

J/105 Class Crew Declaration Form

By sending this form, you are declaring that your crew will be in conformance with Class Rules in Section 3 (Membership and Eligibility). For some regattas, a weigh-in may also be required. Please make sure that all radio buttons are checked to give the correct information for each crewmember.

Note: US Sailing (USS) Groups are defined in Appendix P of the USS Prescriptions of the Racing Rules of Sailing (RRS) 2001-2004. Roughly, Group 1 is an amateur competitor, Group 2 is a marine industry competitor, and Group 3 is a professional competitor. Please read Appendix P for details (online at <http://www.ussailing.org/compelig/Definitions.htm>).

NOTE: J/105 Class Rule - The maximum crew weight (in swimming apparel) for one-design racing is 475 kilograms (1045 lbs.) with no limit on numbers of crew. An Owner who is the sole Driver for a regatta may elect a weight of 100 kg (220 lbs.) for that regatta, in which case he or she shall not be subject to weigh-in or other weight check. If the sailing instructions require a weigh-in prior to the start of a regatta, a boat complying with the weight restrictions at weigh-in shall not otherwise be subject to a weigh-in during or after the regatta, except for weighing substitute crew.
